

Product description

Description Aspartame is an odorless, low-calorie intensive sweetener. It is chemically pure and contains no additives, preservatives, or colors.

Appearance White crystalline Granular

Physical chemical analysis

Solubility Sparingly soluble in water and ethanol

Assay (Titrimetric) 98 - 102% (dried basis)

Loss on Drying ≤ 4.5%

Residue on Ignition (Sulphated Ash) ≤ 0.2%

Diketopiperazine ≤ 1.5%

Other Related Substances ≤ 2%

Transmittance Min. 95%

Heavy Metals (as Pb) ≤ 10 mg/kg

Lead ≤ 1 mg/kg

Arsenic (as As) ≤ 3 mg/kg

pH 4.5 – 6

Other specs

Shelf life 6 months

Packaging In 25 kg bags

Our certificates
