

Specification code **LV/3/CHE/E**

Date 20/12/2024

Product description

Chemical Formula	C ₅ H ₁₁ NO ₂
Molecular Weight	117,15
Isomer	L (Laevo-rotatory)
CAS Number	72-18-4
EC Code	3c371
Appearance	Light yellow crystalline powder

Physical chemical analysis

Assay	min 98,0 %
Loss on Drying	max 1,5 %
pH	4,0 – 7,0

Packaging

Small bags / Big bags

Storage

Store in dry conditions in a sealed or closed container that is to be protected from water, sunlight and heat. Avoid direct contact with floor and any source of combustion.
